

EXPERIENCE THE DIFFERENCE

A woman in a traditional Lebanese belly dance costume, featuring a long, flowing, gold-embroidered skirt and a matching top, is captured in a dynamic pose, spinning in a restaurant. The restaurant has a modern, industrial aesthetic with exposed brick walls, large windows, and several tables with chairs. The lighting is warm, with pendant lamps hanging from the ceiling. The overall atmosphere is vibrant and cultural.

Liban Tapas

At Liban Tapas, we offer four magical dining areas - each dining area has its own unique character, all housed in our beautiful restaurant here in the heart of South Woodford.

The word 'Liban' comes from the French word meaning Lebanese, and 'Tapas' refers to small dishes made for sharing. Combined, Liban Tapas offers two fantastic cuisines, perfect for sharing with friends. The kitchen sits in the heart of the restaurant, providing an aroma and warmth that fills the whole space; combined with the wonderfully colourful and vibrant atmosphere that allows you to be transported from dull, grey normality into a world of spices and abundant flavours.

PRIVATE DINING

We cater from small private events to larger corporate events such as weddings, baby showers, birthdays and location shoots. Complying with social distancing we accommodate up to 125 people, seating round 45-50 guests per area.

We have four dining areas here at Liban Tapas, all with stunning characteristics, giving you a range of choice for the setting you desire. We also tailor our menus to suit your needs and can offer belly-dancing if requested.

MAIN RESTAURANT

Our spacious main restaurant can accommodate up to 50 people. Consisting of a Mediterranean tiled floor and imported brick pillars. Guests are surrounded by tall glass windows in a light and refreshing area, matching the fresh cuisine offered. This attention to detail continues into our handmade booths, designed for comfort, that overlook the Sunroom and Parisian Terrace.

- Accommodates up to 70 people.

SUNROOM

The bright and airy Sunroom boasts a glass roof and large windows that overlook our enclosed Parisian Terrace. This well-lit space can be arranged for individual tables or a single long table for larger groups. This is our most popular room, seating up to 30 people.

PARISIAN TERRACE

This is a truly refreshing spot for summer months and relaxing with friends in open air comfort, and ideal for winter with woollen blankets and heaters to stay cosy.
